Experienced UI/UX Designer with a knack for creating user-centered designs. I love to craft beautiful, functional interfaces that are easy on the eyes and easy on the brain.

ABOUT

I am seeking

a challenging position to design intuitive and visually appealing interfaces for web and mobile applications. Passionate about delivering high-quality designs that enhance the user experience and increase user engagement.

I graduated from

Tolani Foundation Gandhidham Polytechnic in July 2017

I have completed

the Google UX Design Professional course on Coursera and Mobile User Experience (UX) Design course from IxDF.

My abilities include

user research, wireframing, prototyping, graphic designing and visual design.

Proficient in

Figma, Adobe XD, Wireframe.cc, Invision, Protopie, Illustrator, Photoshop, Zeplin, CorelDRAW and currently learning Framer.

I speak

Hindi, English and Gujarati.

EXPERIENCE

Sr. UI/UX Designer

Gfuture Tech | 2021 – May 2023

- Worked with cross-functional teams, including developers and project managers, to ensure timely delivery of design deliverables.

- Collaborated with developers to ensure design implementations were consistent with specifications and achieved desired outcomes.

- Led the creation of wireframes, prototypes, and high-fidelity designs using AdobeXD, Figma, and Adobe Creative Suite.

- Improved design processes and workflows, resulting in increased efficiency and productivity.

Sr. UI & Graphic Designer

Mr. Creative | 2019– 2021

- Designed user interfaces and graphics for print and digital media, including branding, marketing collateral, and social media content.

- Worked with clients to understand their design needs and developed design concepts that aligned with their brand guidelines and objectives.

- Managed multiple projects simultaneously and delivered designs within tight deadlines.

Graphic Designer

Classy Touch | 2018– 2019

- Maintained and updated brand guidelines and design systems to ensure consistency across all touchpoints.

- Successfully manage and coordinate graphic design projects from concept through completion.

Jr. Graphic Designer

MD Digital | 2017– 2018

- Worked with printers and other vendors to ensure that designs were produced to the highest quality standards.
